COMEDY FOR ALL ~ STAND-UP COMEDY

Tailored with all of Kerri's hilarious standup comedy, this presentation is appropriate for any audience from 5 years to 99+ and can include a message to fit your audience's needs.

Crushing Clean Comedy is Kerri's thing, after all!

SAY YES TO GOD!

Are there any 'type-A' control freaks out there? Kerri discusses her journey to become famous and how she TOLD God, "When I win an Academy Award, then I'll say your name!" Well... God got her attention and won her heart. Listen to how that happened and learn how God always has a spectacular ending in mind for each of His children. Kerri's honesty and inspiration will have everyone wanting to say "YES!" to God.

GOD'S NOT DONE WITH YOU YET!

Battling loneliness and a sense that she would never fit in with the cool kids in Hollywood, Kerri found wisdom and friendship with an 87-year-old woman named Betty--who was about to change her life. Betty, truly showed Kerri the importance of Titus, in chapter 2. Learn to take your 'Church Mask' off and be vulnerable. Discover that you don't need to 'earn' God's love. Hear Kerri's stories of wisdom, that will make your side ache and bring healing tears of laughter to your soul. -Kerri is **still a prayer partner with Betty to this day!**

TALES FROM A PROVERBS 32 WOMAN

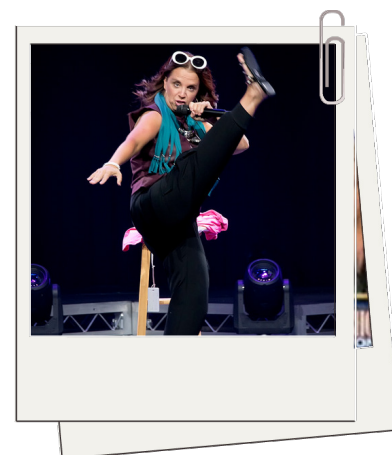

Rising early or plowing a field was never going to be Kerri's thing, which left her feeling wanting in God's eyes. She was more of a Proverbs 32 woman, rising late and letting her kids cook her breakfast! Kerri shares stories about not quite measuring up to 'Christian Ideals' and exposes the lie that women need to do and have it all; **dispelling the burden many women carry to be perfect in order to be Christian.**

- When you struggle with control issues, how do you give your plans and desires to the Lord?
- How can you feel worthy of God's love?
- Does God sweat the small stuff? Does he care that you almost brushed your teeth with diaper cream and haven't showered for three days?
- What do you do when you feel like you can't do it anymore?
- Is there room for mistakes in God's Kingdom?

I DIDN'T MAKE CHEERLEADING

From a young age, Kerri struggled to fit in. As she grew older, the fame of Hollywood offered a solution to fill that void in her heart--~~a~~ belong. Christian women often feel pressure to make sure we're sitting at the 'cool table'. Afraid of rejection, we put on our church face and don't let our sisters know that we're suffering.

Kerri frees women to get real, willing to admit to themselves and others that they struggle sometimes. Whether it's depression, anger, grief, or loss, we all have scars that God can heal as we carry one another's burdens.

GOD GAVE YOU A BOAT

All of us experience rough water in life, but surrendering to God is the key to surviving the tsunami that can hit us. Kerri has experienced struggles, even the insurmountable tsunami as she walked side-by-side with her mother through the horrible battle of breast cancer. Not once, but multiple times.

Drawing from the wells of the scriptures, Kerri found strength in Isaiah 43. With skillful humor and a tear or two, Kerri will guide the audience to follow the Lord through the torrents, because He will not let them drown. He will always give us the option of "getting into the boat." **No matter how low you sink, you'll always see God's face—if you look for it!**

TALES FROM A HOLLYWOOD "GOD GIRL"

Even as a little girl who didn't fit in, Kerri dreamed of fame and fortune in Hollywood. Being a 'strong-willed' child, no one really knew what lay ahead for this quirky kid. After college, the good little girl who generally gave up about 70% to God, wasn't ready to give that much up when it came to her TV career or dating—Kerri wasn't ready to give up THAT much control.

But her family never stopped praying, and God never left her side. Then one night, after praying, Kerri's heart changed, and she surrendered everything over to God and never looked back.

FIGHT LIKE A WOMAN ~ BATTLE STRATEGIES FOR WOMEN

Kerri will light your event on fire with the spirit of empowerment only God can provide for women. This talk will inspire women to get out of their own way, stop conforming to the false belief systems of society, and share our personal struggles so we can heal.

WAITING ON GOD...PROACTIVELY

Kerri spent her 20s trying to find 'Mr. Right' so she could fulfill the expectations of being married with kids, as her mother prayed. She often felt less or not quite whole. During her search, Kerri found heartache, life lessons, and garnered plenty of comedic material. Then Kerri will wrap it all up with hilarious anecdotes that will have audiences rolling in the aisles with laughter while inspiring them to hand their problems over to God. The REAL first love of their life.

HOLLYWOOD UNCOVERED!

An informative interactive workshop for anyone who has a heart for the arts and media. Whether you're a prayer warrior or performer at heart, Kerri will answer questions backed by personal experience about working in the media industry. Aspiring actors will also participate in improv games, mock auditions, and learn about the publishing world. *It's fun and eye-opening for those intending to pursue full or part-time careers in the arts.*

FAITH IN HOLLYWOOD & MAKING A DIFFERENCE WHERE YOU ARE

Your audience will enjoy hearing stories about Kerri's journey in film and TV where she ended up having to stand up for her beliefs. She shares insights on how others can be the change right where they stand.

CHOCOLATE & JESUS (THE BEST MEDICINE IS LAUGHTER)

It's all about motherhood, family, job stress, singlehood, and how laughing can not only be a stress reliever, but medicinal as well. We forget what a sense of humor God has. After all, he invented marriage.

SINGLE MOTHERHOOD, CO-PARENTING LIKE A CHAMP (& NOBODY GETS HURT)

Being unexpectedly thrust into single parenthood can seem like a death sentence. But it doesn't have to be. God can get you (& your co-parent) through the toughest times... even when it still seems the darkest; plus your kids can thrive, knowing God loves them.

WHO IS THE PROVERBS 32 WOMAN & WHY YOU SHOULD CARE

Women today are forced into tiny 'unworthiness' boxes where they feel trapped. They run around their home screaming, only to end up in the shower drinking a thick Nutella shake topped with whipped-up guilt in the fetal position. Ever wonder why God inspired the Proverb's author to pen chapter 31? Why is Kerri talking about the "Proverbs 32 Woman" Movement? [#hotmess4Jesus](#)

Can women today find the grace and self-love promised in God's word? Does He really love them—hot mess and all?

DO YOU BELIEVE IN MIRACLES?

Testimonials

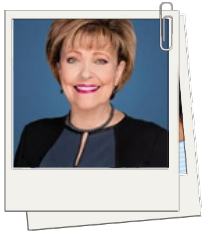

"Kerri Pomarolli? She's short, but she really grows on you! She's a real pro and I loved working with her. Delivering her funny stuff while handling the host duties to keep a show like the Dove Awards moving is difficult. She had me at 'And the Dove Award goes to ' Thanks!'"

STEVE GILREATH - PRODUCER & DIRECTOR, 2006 GOSPEL MUSIC AWARDS

"Your act was so fine-tuned as well as hilariously funny, but I think the best part of your act was the way you used standup as a witnessing tool. That blew me away. You present the gospel in a non-threatening, non-abrasive way, and everyone who watches your act gets ministered to, whether they realize what is happening or not. God has truly blessed you with the gift of stage presence and the ability to make people laugh. If I ever have need for an event or a church fellowship meeting, I will definitely be contacting you."

TIMOTHY J. MICKO, PRODUCTION MANAGER, USA CABLE ENTERTAINMENT

"She's clean, she's bright, she's funny, she's (pardon me, we cant help it) too cute for words! She's the girl you'd want for a daughter, the big sister you wish your teenager had to look up to. How does she thrive in the not-too-nice world of comedy professionals? Somebody up there likes her. So do we."

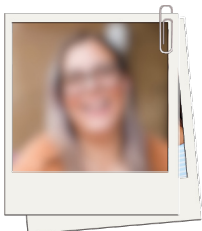

TERRY MEEUWSEN & LOUISE DU-ART, HOSTS OF LIVING THE LIFE TELEVISION CBN, ABC FAMILY

"Kerri fit right in with our ladies. This is special because our ladies' age range is from 16-90+. More importantly, Kerri has a wonderful testimony that touches the lives of mothers and daughters. Ladies from across our state are still talking about her comedy act. She had us rolling! It was truly an honor and pleasure to have her at our women's retreat."

"Not only did she make us laugh; she made us think. Lots of times you hear a speaker, then walk away and forgot what they talked about. Not Kerri, what she says really sticks, and you walk away challenged. Many of our students said they liked Kerri because she was REAL! You know, students NEED to hear from people that are honest with them."

ANDREA JONES*, DIRECTOR OF LEADERSHIP DEVELOPMENT AND EVENTS, MOPS INTERNATIONAL

When my employer, North Kansas City Hospital, was looking for a good fit for our spring women's event, I immediately thought of Kerri. Because of her success, she wasn't too hard to track down and after watching her hilarious videos, **I KNEW she'd be a good fit for North Kansas City Hospital's Club W program. Club W is a women's program that engages women to feel good, look great, and live a healthy lifestyle.**

With a crowd of over 250 women (and a few brave gentlemen), we were so very delighted with the results! I've never heard "belly-laughing" like I did that night. Her ability to take everyday things and make them hilarious kept the audience in stitches. Her genuineness and ability to laugh at herself immediately bonded the audience, and by the time she ended, she had 250 new devoted friends! Thank you, Kerri, for your humor, your professionalism, for being so easy to work with and most importantly, for reminding us all not to take ourselves or life too seriously. To good health!

MELANIE BEARD | COMMUNITY BENEFITS COORDINATOR | NORTH KANSAS CITY HOSPITAL

"We couldn't ask for a better partner in Kerri Pomarolli for our recent fundraiser! She was professional in every way regarding communication before the event and honoring our schedule during the event. She was passionate about our nonprofit adoption agency and promoted our ministry throughout her time on stage. And . . . she was hysterical! If you have the opportunity to book her for your next event, you will be in for a treat that will leave you wanting more, renewed in your love for the Gospel of Jesus Christ and encouraged in the expansion of your ministry!"-

LOREN RAE EASTERLING DIRECTOR OF MINISTRY DEVELOPMENT AT COVENANT CARE ADOPTION SERVICES, INC.

"Kerri Pomarolli is a hilarious comedian who kept our mixed audience of teens, singles, young parents, middle-aged and senior citizens rolling with laughter. As the coordinator of the event, I found Kerri genuine, friendly and extremely easy to work with. I can't wait to have her back!"-

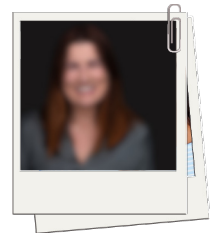

DARLA HARVEY, WOMEN'S MINISTRY, RALEIGH FIRST ASSEMBLY

"It isn't very often students continue to talk about a chapel message long after the speaker has left the campus, but students at Gardner-Webb are still talking about Kerri Pomarolli and the life-changing message she shared."

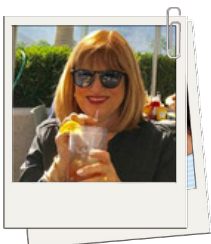

KELLY CROSBY, VICE PRESIDENT OF PHILANTHROPY, COVENANT HOSPICE

"Kerri Pomarolli is a talented performer with an energy and fun personality that makes her performances engaging. Her comedy reflects her unique ability to laugh at herself and the craziness that has been her life. In a day and age when most professing Christians barely look any different than the world, Kerri stands out as a revolutionary of the faith because she is willing to walk out what she believes *she understands that what she is doing is so much more than a career but is in reality a calling from the Lord.*"

"Kerri was a breath of fresh air. I had the honor of being her hostess and was so blessed by her, even in our time just driving to and from the airport. She spoke directly to where I was at and encouraged me. She didn't hesitate to pray in power and authority for my situation.

Her show later that evening had all our ladies giggling like schoolgirls! Joy and laughter filled the place. She closed with a very short, but hugely impactful word, which stirred the hearts of our ladies. She tilled the soil with laughter then planted good seed in soil that was ready to receive! What an amazing gift. She's the total package. We look forward to having her back again!"-

CORY HUDSON, CELEBRATION CHRISTIAN CHURCH

"Every entertainer or professional person's website will tell you how wonderful they are, but the persons do not always deliver. As a primary organizer for our event, Kerri went above and beyond meeting my expectations and fulfilling what we were trying to accomplish with our event."

TONY LEVERETT, SINGLES PASTOR, CELEBRATION CHURCH SINGLES MINISTRY, NEW ORLEANS, LA

"Kerri Pomarolli had the packed house at the KKLK Women's Night Out laughing so hard they were crying! Her performance was fresh and upbeat, and every woman in the audience could relate to her insightful and humorous musings on life. She was witty and charismatic. You could tell she loves the Lord, her family and her comedy career! Kerri was a strong factor in our promo campaign for the Women's Night Out event. Using her in our ads gave the event a lot of appeal."-

"Be ready for a side ache for two days after you hear Kerri Pomarolli. I was tempted to roll in the aisle, but I didn't want to miss the next one-liner! The best part was the winsome way Kerri let people know about Jesus. Kerri gave one of the clearest presentations of the gospel I have ever heard. Then she made us laugh again!"

VALERIE GALLAHER, WOMEN'S MINISTRY DIRECTOR, SUNRIDGE COMMUNITY CHURCH, TEMECULA, CA

Rock N' the Corporate World

Until she realized that Hollywood's *Walk of Fame* wanted more than her faith could allow. (No matter what your personal values are, having and abiding by a set of values helps you succeed in life.) Consequently, Kerri searched for an area she could be a star, and herself.

Thank goodness she did, because today, she is one of the corporate world's cleanest comedians in the world and a powerful motivational speaker.

A dynamic duo of talent and inspiration that allows Kerri to magnetically connect to her audience, influencing them to change.

Finally able to create her own content, and share her own stories, messages, and inspiration, Kerri jetted forward in her career.

Since that time, Kerri has become one of the most sought-after comedians, sharing the stage with mega names like **Jim Carrey, Sherri Shepherd of 'The View,' Jay Leno, Carol Channing,** and many others. Stacking up a tall heap of repeat appearances on **NBC's 'The Tonight Show'** and **Comedy Central**, it was obvious Kerri had chosen the right path.

Her corporate event appearances include **Ford Motor Company, Cisco Systems,** and the **GMA Awards**. She has also headlined the red-carpet launch for the **California Women's Conference**, enchanting an audience of more than 20,000 attendees.
